# Virginia Wildlife Calendar is Now Available

It's time to purchase the new  
2008 Virginia Wildlife Calendar!

For more than 20 years the Department of Game and Inland Fisheries has been publishing one of the most informative and beautiful wildlife calendars in the country. This special addition of the Virginia Wildlife Calendar highlights 12 of the 925 species of greatest conservation need identified in the Virginia Wildlife Action Plan. This comprehensive wildlife conservation strategy unites natural resource agencies and citizens through a common vision and concept for the conservation of the Commonwealth's wildlife and habitats in which they live.

An important component of the Virginia Wildlife Action Plan is participation of citizens from around the state to get involved with wildlife conservation efforts. By purchasing the new 2008 Virginia Wildlife Calendar you not only get 12 months of incredible wildlife viewing, but you also take that first step in helping to bring awareness to important wildlife issues facing our state.
